Greetings CEA Members,

Over the last several days, CEA has been contacting you in a variety of ways to ensure that every single member has the opportunity to cast their vote to ratify the Tentative Agreement your Bargaining Team reached with the District.

Below you will find information pertaining to the vote which can be shared with your colleagues to promote a high turnout election. We have held a series

of informational meetings regarding the TA, but as always, if you have questions, please feel free to reach out to me directly.

Voting Information

Here's what you need to know:

1. **Voting will be open from Tuesday, October 24 at 6:00 AM until Friday, October 27 at 4:00 PM.**
2. Whether you vote online or at the CEA office, this will be an electronic election to ensure the security and accuracy of the vote.
3. **Only active CEA members are permitted to vote in this election.**
4. If we have your updated information, you will receive an email when the election opens. The email will contain your login credentials to access the ballot. If you do not receive this email, please contact malina.colon@neaalaska.org and she will forward you the information.
5. Be sure to check your SPAM and JUNK folders for the email from me.
6. CEA will have computers set up at our office for in-person voting. NEA-Alaska staff will be on-site to assist with membership verification and log-in questions.
7. We anticipate releasing the results on Friday evening after the election has closed.

And there you have it. The next step in this 19 month bargain is almost here. And after we Ratify this agreement, it is up to the school board to vote it up or down. Our expectations will be this is an action item at the November 1st School Board Meeting. Your attendance at this meeting would be appreciated!
